# **Training**

## **Guaranteed Job Training**

The Army guarantees, in writing, training in a particular skill before enlistment.

## **Reduced Military Service Obligation (MSO)**

This option is available to non-prior service (NPS) applicants only. This option offers a two-year active duty commitment with four years in a Selected Reserve (SELRES) of the U.S. Army. All Soldiers enlisting with the option will have an MOS of six years instead of eight.

## **Foreign Language Recruiting Initiative**

This enlistment option is open to all qualified Army or Army Reserve applicants without prior service whose primary language is not English.

Applicants will enlist in an unassigned status, 09C, meaning that they will not choose their MOS until they pass the English Language Training (ELT). After completion of ELT, applicants will attend a two-week GT prep course and then retest on the ASVAB. They will choose their MOS after re-taking the ASVAB. Minimum requirements to enlist under this initiative are: 21-30 AFQT, 54AO and 40-74 ECLT.

## **U.S. Army Preparatory School**

This option is available to non-prior service (NPS) applicants only. This program will enable applicants who currently do not have an education credential to meet education enlistment standards through a program sponsored by the U.S. Army. This program is available for both RA and USAR enlistment. Soldiers will then complete four weeks at the Army Preparatory School at Fort Jackson, S.C., and be administered the state of South Carolina General Equivalency Diploma test. Upon successful completion of GED testing, the Soldier will go to his or her scheduled Basic Combat Training (BCT) or One Station Unit Training (OSUT) class.

## **Army Civilian Acquired Skills Program (ACASP)**

Applicants with prior training, education and/or experience (not obtained through military service) may qualify for enlistment at a higher pay grade and use their civilian skills in the Army. Will enlist as specialist (E-4) and may not be required to attend AIT.

## **Partnership for Youth Success (PaYS)**

PaYS is a program to connect American industries and state and local government agencies with the U.S. Army. Applicants, upon selecting an MOS, will sign a statement of understanding with a participating PaYS partner. These projected job vacancies are intended, though not guaranteed, for Soldiers departing the Army or Army Reserve who satisfactorily completed IADT and were awarded an MOS. The Soldier is guaranteed an interview with the agency. For information, visit [www.armypays.com](http://www.armypays.com).

## **Army Language Program**

Individuals desiring to learn a foreign language are evaluated on their ability to comprehend a foreign language on the Defense Language Aptitude Battery (DLAB). Passing DLAB score is 105 but can be waived down to 95. Those enlisting under this program will attend basic training followed by 25-63 weeks (depending on language) of language training conducted at the Defense Language Institute Foreign Language Center (DLI-FLC), Presidio of Monterey, Calif. Upon successful completion of language training, Soldier will attend 35N or 35P AIT. Graduates receive up to 45 semester hours of college credit.

Individuals who already profess to speak a foreign language have the opportunity to enlist as skilled linguist under the Army Civilian Acquired Skills Program (ACASP). An individual's language ability is evaluated through the Defense Language Proficiency Test (DLPT). The DLPT measures an individual's reading and listening skills in the language they profess to speak. Passing score is a 2 in both the reading and listening areas. Current languages eligible for this program are Arabic, Chinese Mandarin, Korean, French, Pashto, Persian Farsi and Spanish. Enlistees qualified for this program may be eligible for Foreign Language Proficiency Bonus (FLPB) and advance pay grade of E4. After completion of basic training, Soldier would attend AIT in either 35 N or 35 P, depending on language.

If attending DLI, applicants must be U.S. citizens, be eligible for a top secret clearance, score a 105 on the DLAB (waiverable to 95), have a 91 ST score on the ASVAB and have Tier I education credentials. Family members of students enrolled at DLIFLC may enroll concurrently with the military spouse on a space available basis at no cost.

If enlisting as a linguist under the ACASP program, must be a U.S. citizen, be eligible for a top secret clearance, score a 2 in both reading and listening on the DLPT test, have a 91 ST score on the ASVAB and have

Tier I education credentials.

For information contact your brigade foreign language advocate or call (800) 223-3735 option , ext. 1687 or DSN 536-1687.

### **09L Interpreter/Translator**

This program is available for Regular Army, Army Reserve and IRR enlistments. English training is based on the English Comprehension Language Test (ECLT score) or American Language Course Placement Test (ALCPT). Applicants attend basic training to learn to be a Soldier then AIT to learn the skills of being an Interpreter/Translator. Entry pay grade is E-4 (SPC) through ACASP.

### **Army Reserve Standard Training Program**

Initial entry training is completed during the same time period. A Soldier will finish BT and then begin AIT. Upon completion of all training, the Soldier will return to his or her Army Reserve unit.

## **Army Reserve Alternate Training Program**

Initial entry training is split between two time periods - usually two summers, one year apart. Alternate training enables students to continue high school, college or vocational studies. It is available for seasonal employment personnel. Alternate training is only authorized for MOSs where AIT is 13 weeks or less.

## **Specialized Training for Army Reserve Readiness (STARR) - Army Reserve**

STARR is a program that allows non-prior service and prior service Soldiers to be trained in a medical MOS by taking their MOS training at a local community college. The Soldier is not entitled to room and board or active duty pay while attending the civilian school. NPS must attend basic training prior to the Army paying for the schooling. The enlistment contract must be 6+2 for NPS and four years for PS.

The Army will pay for all books, tuition, laboratory fees, uniforms, equipment, student health insurance, etc., up to \$6,000 per year. All civilian schooling must be completed in two years. Soldier may also qualify for enlistment bonuses, loan repayment program or Montgomery GI Bill. ## Notes

# Education

## Post 9/11 GI Bill

The Post 9/11 GI Bill is a new education benefit program for individuals who served on active duty on or after Sept. 11, 2001. Eligible individuals are entitled to 36 months of benefits based on a sliding scale that is linked to the length of qualifying active duty service on or after Sept. 11, 2001. All Soldiers are eligible for benefits contingent upon qualifying active duty service.

What does the program pay for eligible individuals?

- Tuition & fees — paid directly to the school — not to exceed the maximum in-state undergraduate tuition, and fees at a public institution of higher learning. A chart listing 2009 - 2010 maximum rates can be found at [www.gibill.va.gov/GI\\_Bill\\_Info/CH33/Tuition\\_and\\_fees.htm](http://www.gibill.va.gov/GI_Bill_Info/CH33/Tuition_and_fees.htm)

- Monthly housing allowance - paid to the student – equal to the Basic Allowance for Housing (BAH) for an E-5 with dependents and the ZIP code for the location of the school. A chart of BAH rates by ZIP code is at [www.defensetravel.dod.mil/perdiem/bah.html](http://www.defensetravel.dod.mil/perdiem/bah.html).

Individuals on active duty or who are enrolled exclusively in online training will not receive the housing allowance. An annual books and supplies stipend — paid to the student — up to \$1,000, paid proportionately based on enrollment.

Individuals on active duty will not receive a books and supplies stipend.

A one-time rural benefit payment of \$500 to individuals who reside in a county with six persons or fewer per square mile — as determined by the most recent decennial census —, and who either physically relocate at least 500 miles to attend an educational institution or relocate by air to attend an educational institution — if no other land-based transportation exists.

The Post 9/11 GI Bill Web site is [www.gibill.va.gov/](http://www.gibill.va.gov/).

## **Army Reserve Officers' Training Corps (ROTC)**

The U.S. Army Cadet Command, Fort Monroe, Va., directs the ROTC program. ROTC cadets are concurrently full-time college students working toward academic degrees. The ROTC training program occupies only a small portion of a student's weekly activities.

Cadets spend two to four years in the ROTC program depending on the method of entry into the program. The program includes a Basic Course, Military Science and Leadership I and II courses, and an Advanced Course, MSL III and IV courses, conducted at 272 host institutions nationwide and through partnerships with more than 1,000 other schools. Students can receive constructive credit for the Basic Course based on prior service or other lateral entry criteria, or by attending the Leaders Training Course, formerly Basic Camp.

All cadets attend the Leadership Development Assessment Course, usually during the summer prior to their final academic year. Participants are paid while attending camp(s).

Army ROTC contracts may include a variety of incentives, from monthly stipends to tuition scholarships to drill pay and additional leadership experience as members of Guard or Reserve units. All scholarship cadets, as well as non-scholarship cadets in the Advanced Course receive a stipend starting at \$250 per academic month for MSL I, increasing by \$50 each year.

College students may compete for two-, three- or four-year tuition scholarships on campus by applying directly to the professor of military science in the ROTC battalion. Two-, three- and four-year scholarships are

I will encourage to enlist in the United States Army those young men and women who are morally, aptitudinally, physically and administratively qualified, young people who will serve with honor and distinction, and with whom I would be proud to serve in peace as well as in war.

I will always maintain the highest standards of military and moral conduct in the performance of my duties while conducting recruiting operations throughout the United States, its territories and overseas. I will leave no questions as to the correctness of my ethical standards or moral purpose, and I will always demonstrate an unshakable sense of integrity.
